

PROFESSIONAL PILOT

October 4, 1976

Dear Mr. Sweeney:

Murray Smith is on a trip to Wichita right now but asked that I get out a short note to you letting you know the status of our planned presentation to you for the PROFESSIONAL PILOT of the Year 1976 award.

We would like to arrange the presentation at a date convenient to your schedule on or following the 12th of October.

Why not give me a phone call and I will coordinate things.

Congratulations on this award and all the very best.

Sincerely,

Holly K. Saunders
